# JEDNODUCHÉ POUŽITÍ

**ROZHODNUTIE  
JE NA VÁS**

**ŽIADNA VEDA**

An aerial photograph of a city landscape. In the center, a large, dense green forest covers a significant portion of the area. A winding road with several cars is visible, curving through the forest. To the left and right of the forest, there are high-rise apartment buildings. The sky is clear and blue. The text "The greenest energy is the energy we don't use" is overlaid on the forest area.

The **greenest**  
**energy** is the energy  
we don't use
